Term Highlights:

What a term it has been! We have had some wonderful highlights this term. These include taking part in the Sport Waitakere Whau cluster sporting events. It saw our students participating in cricket and in swimming. Congratulations to all the participants and the teachers who supported our students to make it happen.

This term our theme was 'us and our family'. Students focused on building relationships with one another and finding out more about their families. Students created wonderful art work which is displayed outside of their classes. In Arabic students also learnt vocabulary about their families and continued to practice their reading writing and oral language skills.

Students have really enjoyed learning more about Ramadan and the blessings of fasting this month. We have begun our annual orphan jar collection. Our students sponsor four orphans every year. Students are welcome to bring their donations to school and fill up our orphan Jar.

Have a wonderful holiday!
